POLARMATIC

ICE VENDING MACHINES
Thank you for your interest in the Polarmatic Ice Vending Machine. This machine is going to revolutionize the ice business. It has been said that this type of machine is going to do to the ice business the same thing the ATM machine did for the banking industry. All Polarmatic Ice Vending Systems produces, stores, bags, and vends bagged ice.

The Polarmatic 10,000 is manufactured on site in the 30,000 sq. ft. production facility in Moultrie, Georgia 31768.

Polarmatic has one of the best ice vending machine systems on the market today and will be redefining the way consumers purchase and use ice.

These machines are entirely mobile which means that the units can be used for disaster relief.
